- 8. St. Johns Welfare Federation d/b/a BayView Assisted Living at Buckingham Smith Enhanced Funding Request.** On October 19, 2017, the BCC approved the St. Johns Welfare Federation d/b/a BayView Assisted Living at Buckingham Smith contract extension for a three month term at the request of the Health and Human Services Advisory Council, until an amended contract could be completed in order to enhance the service provisions provided to the residents of St. Johns County. Upon contract negotiations, BayView disclosed that the original approved budgeted amount would not be sufficient to continue operations at Buckingham Smith ALF. At the May 15, 2018 BCC meeting, staff was directed to identify sources of bridge funding to sustain the Buckingham Smith program for the remainder of FY18. An amended contract in the amount of \$78,798, was approved at the June 19, 2018 BCC meeting. BayView has again indicated that an additional \$394,387 is needed to continue the program through August of 2019. Staff identified \$141,660 that was previously approved and appropriated in the FY18 HHS budget for site development of the homeless campus at SR 207. The balance of the requested amount (\$252,727) would require a transfer from the General Fund reserves. This request is a one time allocation; future funding is not considered in this action. Bayview has provided a sustainability plan and a budget for the remainder of FY 18 and is attached in this agenda packet. Should the BCC approve the funding request made by St. Johns Welfare Federation d/b/a BayView Assisted Living, it is requested that the Board direct staff to proceed with the development of a one time funding agreement between the County and St. Johns Welfare Federation. The proposed funding agreement will be brought before the Board of County Commissioners for review and approval.
